

FEED BACK ANALYSIS REPORT

(STUDENTS)

2022-2023

In today's dynamic educational landscape, institutions strive to provide a holistic learning environment that nurtures students' intellectual growth, practical skills, and overall well-being. To gauge the effectiveness of these efforts, we conducted an analysis of student responses to a series of questions designed to assess their perceptions of different aspects of their educational experience. This analysis aims to provide valuable insights into the strengths and areas for improvement within the institution's offerings.

The collected data encompassed curricular aspects and ambience of the college. Each question solicited responses on a five-point scale, encompassing "Strongly Disagree," "Disagree," "Neutral," "Agree," and "Strongly Agree."

Sl No:	Questions	Response in Percentage				
		Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
1.	Curriculum covers a wide range of relevant topics in the field of study	0	2	8	10	80
2.	There is sufficient balance between theoretical knowledge and practical application in the curriculum	0	0	2	8	90
3.	The curriculum encourage critical thinking, problem solving and analytic skills.	0	1	1	3	95
4.	The curriculum incorporate emerging trends and development in the industry	0	0	6	10	84
5.	The add-on courses are effective to go deep into specific areas of course	0	1	5	14	80
6.	The classrooms and lecture halls are comfortable and well equipped for effective learning	0	1	2	93	4
7.	Library resources, digital databases, and research materials are accessible and available.	0	2	2	84	12

8.	The campus environment promotes overall student well-being and a sense of community.	0	2	2	76	20
9.	The campus is well maintained and clean	0	1	2	82	15
10.	The institutions effort in organizing co-curricular and extracurricular activities enhance the overall learning experience	0	2	2	81	15

Question 1: Curriculum covers a wide range of relevant topics in the field of study

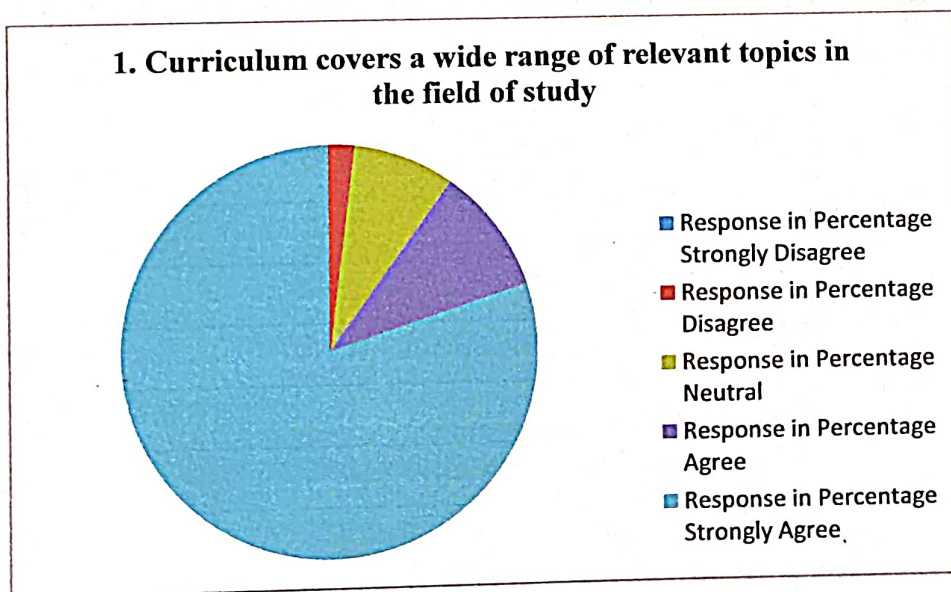

Strongly Disagree: 0%

Disagree: 2%

Neutral: 8%

Agree: 10%

Strongly Agree: 80%

The majority of respondents (80%) strongly agree that the curriculum is effective. The combined percentage of those who agree and strongly agree is 90%, indicating a high level of satisfaction with the curriculum.

Question 2: There is sufficient balance between theoretical knowledge and practical application in the curriculum

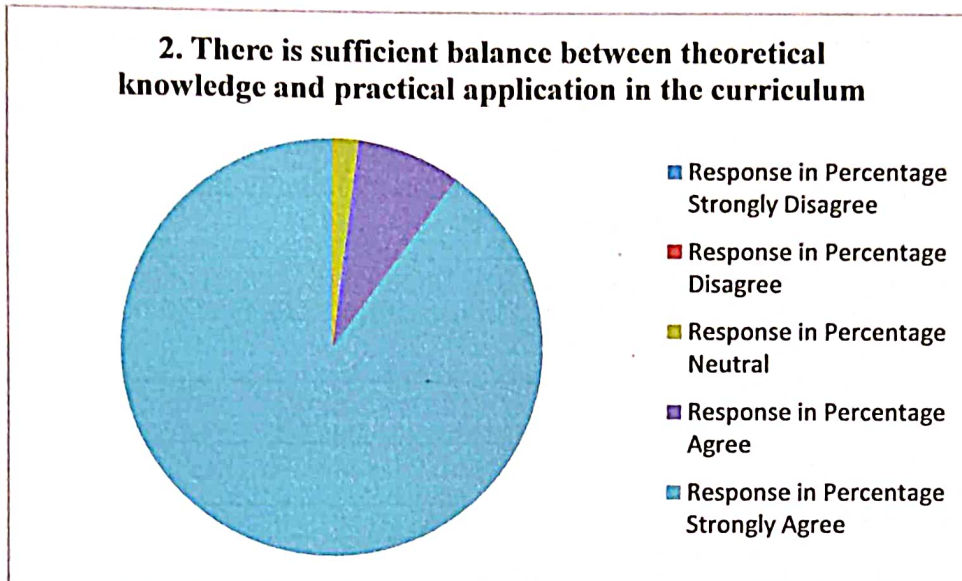

Strongly Disagree: 0%

Disagree: 0%

Neutral: 2%

Agree: 8%

Strongly Agree: 90%

A significant percentage (90%) of respondents strongly agrees that practical skills are being effectively taught. This suggests that the curriculum is successful in imparting practical skills to the students.

Question 3: The curriculum encourage critical thinking, problem solving and analytic skills.

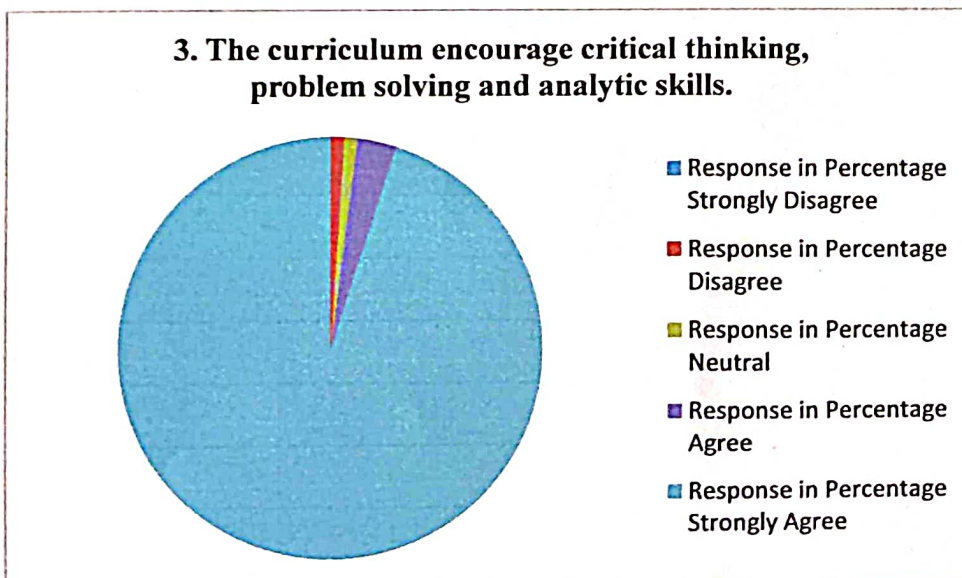

Strongly Disagree: 0%

Disagree: 1%

Neutral: 1%

Agree: 3%

Strongly Agree: 95%

The vast majority (95%) of respondents strongly agree that a multidisciplinary approach is being used. This indicates that the institution is successfully implementing a variety of disciplines in its teaching approach.

Neutral: 6%

Agree: 10%

Strongly Agree: 84%

A majority (84%) of respondents strongly agree that the institution promotes continuous learning and adaptability. The combined percentage of those who agree and strongly agree is 94%, suggesting a positive view of the institution's efforts in this aspect.

Question 5: The add-on courses are effective to go deep into specific areas of course

Strongly Disagree: 0%

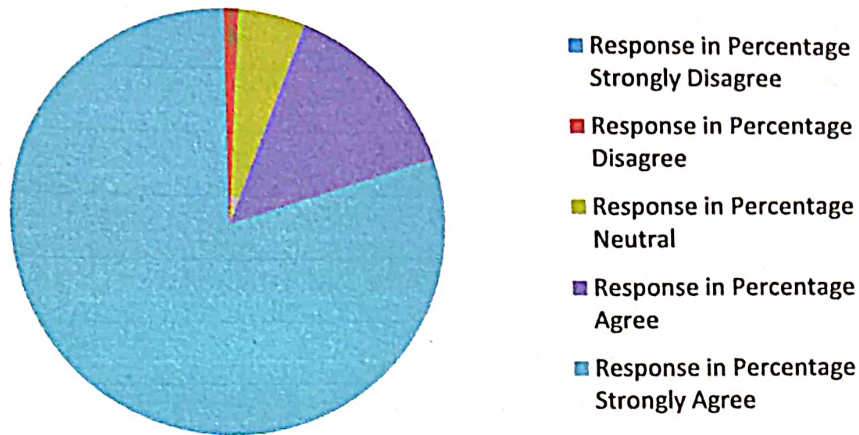

Disagree: 1%

Neutral: 5%

Agree: 14%

Strongly Agree: 80%

5. The add-on courses are effective to go deep into specific areas of course

A significant percentage (80%) of respondents either agrees or strongly agrees that curriculum integration is successful. However, a notable 20% responded with neutral, which might indicate some room for improvement in this area.

Question 6: The classrooms and lecture halls are comfortable and well equipped for effective learning

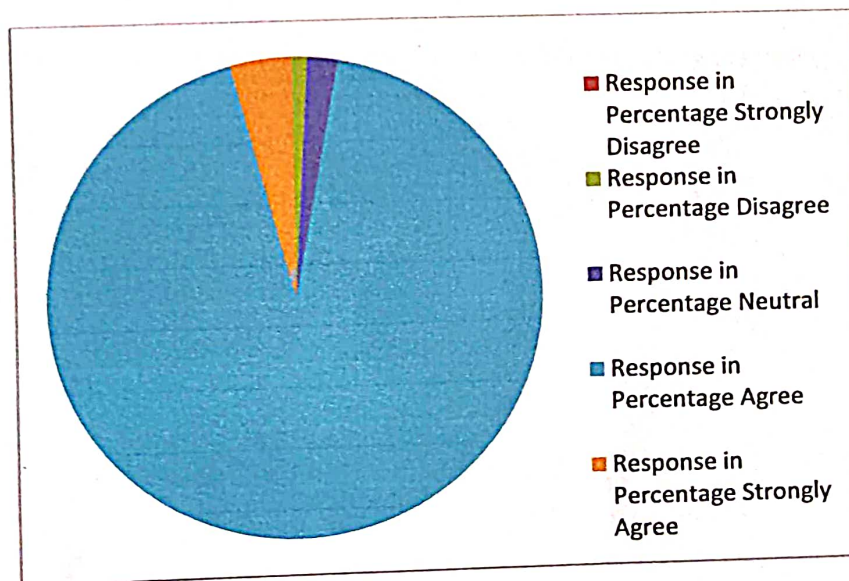

Strongly Disagree: 0%

Disagree: 1%

Neutral: 2%

Agree: 93%

Strongly Agree: 4%

Most respondents (93%) find the classrooms and lecture halls to be comfortable and well-equipped. This suggests a positive environment for learning, although the 4% who strongly disagree or disagree should be considered for improvements.

Question 7: Library resources, digital databases, and research materials are accessible and available

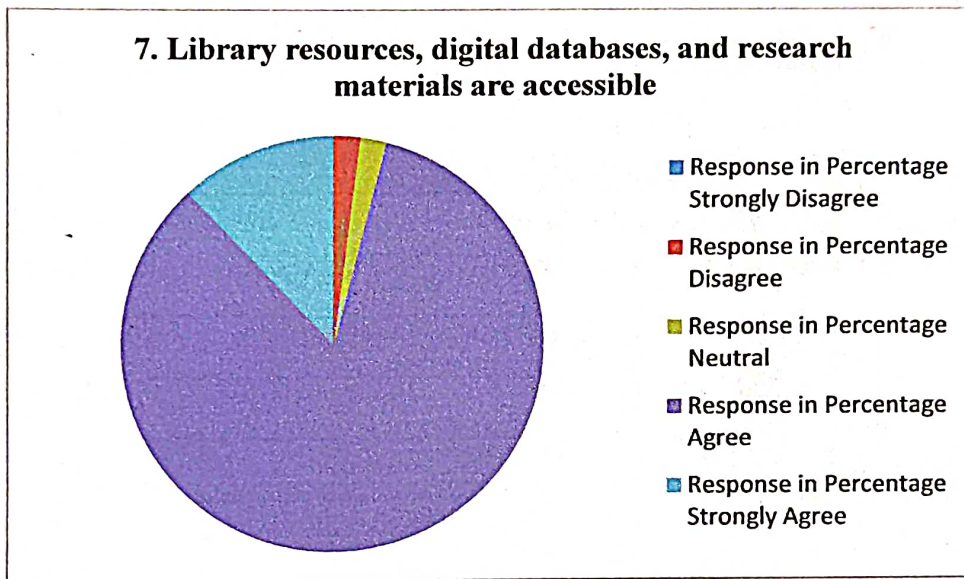

Strongly Disagree: 0%

Disagree: 2%

Neutral: 2%

Agree: 84%

Strongly Agree: 12%

A majority (84%) of respondents agree that library resources and digital databases are accessible. However, the 14% who responded with neutral or disagree might indicate some issues with accessibility that need to be addressed.

Question 8: The campus environment promotes overall student well-being and a sense of community

Strongly Disagree: 0%

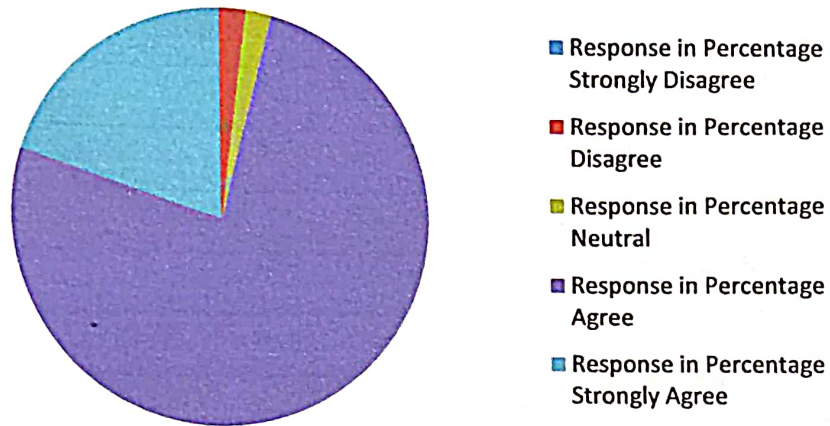

Disagree: 2%

Neutral: 2%

Agree: 76%

Strongly Agree: 20%

8. Campus environment promotes overall student well-being and a sense of community.

The majority (76%) agree, and a significant portion (20%) strongly agrees that the campus environment promotes student well-being and a sense of community. This is generally positive, although the 4% who disagree or strongly disagree suggest some areas for improvement.

Question 9: The campus is well maintained and clean

Strongly Disagree: 0%

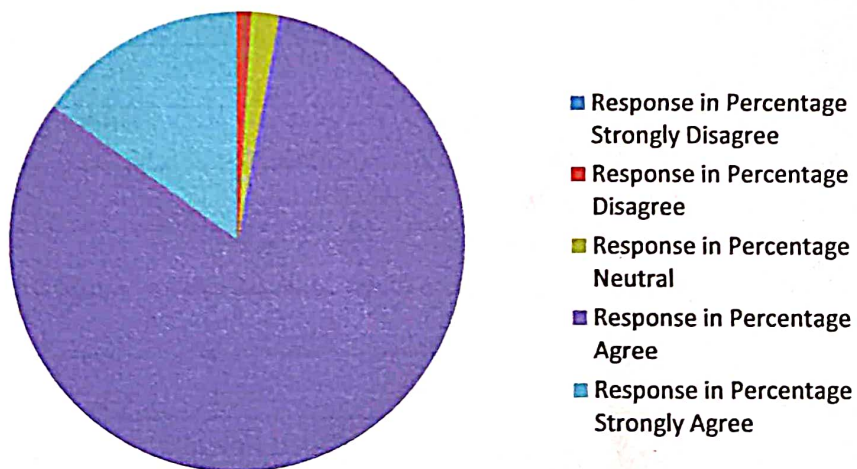

Disagree: 1%

Neutral: 2%

Agree: 82%

Strongly Agree: 15%

9. Campus is well maintained and clean

A majority (82%) agree that the campus is well maintained and clean. While generally positive, the 3% who responded with neutral or disagree might indicate some concerns regarding cleanliness and maintenance.

Question 10: The institutions effort in organizing co-curricular and extracurricular activities enhance the overall learning experience

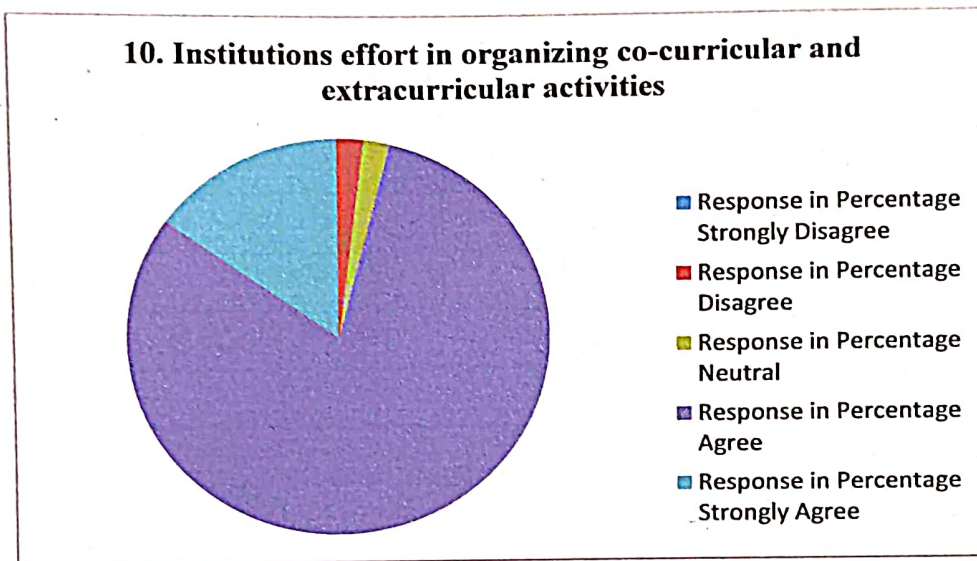

Strongly Disagree: 0%

Disagree: 2%

Neutral: 2%

Agree: 81%

Strongly Agree: 15%

Most respondents (81%) agree, and a significant portion (15%) strongly agrees that the institution's efforts in organizing co-curricular and extracurricular activities are satisfactory. However, the 4% who disagree or strongly disagree might suggest potential areas for enhancement.

CONCLUSION

Overall, the analysis indicates that the institution is generally performing well in various aspects, including curriculum effectiveness, practical skills, multidisciplinary approach, and student adaptability. However, there are some areas, such as curriculum integration, library accessibility, and campus environment, where neutral or negative responses suggest room for improvement. It's crucial for the institution to focus on these areas to enhance the overall educational experience for its students.
