

FEED BACK ANALYSIS REPORT

TEACHERS

2019-2020

The foundation of a successful educational institution rests upon a well-structured curriculum that addresses various dimensions of learning. In this analysis report, we delve into the insightful feedback provided by teachers regarding different facets of the curriculum. By examining their perceptions, we aim to gain valuable insights into the strengths and areas of improvement within our educational framework.

SI No:	Questions	Response in Percentage				
		Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
1.	Satisfied with the overall structure and design of the curriculum	0	1	2	13	84
2.	The curriculum encourage critical thinking and problem solving skills among students	0	2	2	12	84
3.	The curriculum effectively incorporates real world applications and practical experiences to enhance student learning	0	0	2	10	88
4.	The curriculum integrates technology and digital resources to enhance the teaching and learning experience	0	1	0	6	93
5.	Satisfied with the support and professional development opportunities provided by the college	0	0	0	5	95
6.	The physical facilities and infrastructure of the college is comfortable and conducive	0	1	2	13	84
7.	The college provides a collaborative and supportive environment among faculty members and staff	0	2	1	17	80
8.	The college encourages and facilitate your participation in professional development, research and scholarly activities	0	2	4	14	80
9.	College maintains a clean, safe, and well-equipped campus environment	0	1	0	6	93
10.	Overall ambience and atmosphere for teaching	0	2	0	20	78

Question 1: Satisfied with the overall structure and design of the curriculum

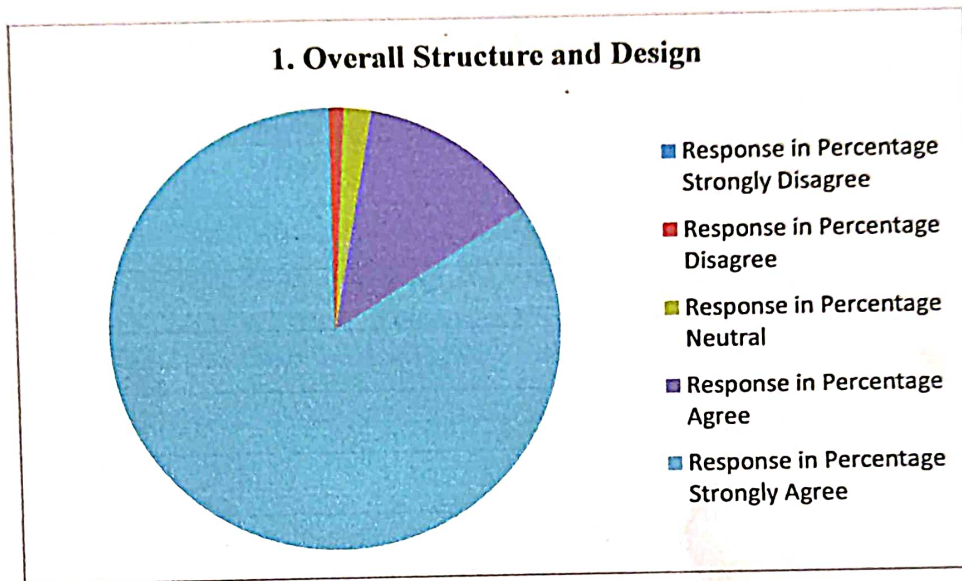

Strongly Disagree: 0%

Disagree: 1%

Neutral: 2%

Agree: 13%

Strongly Agree: 84%

The feedback indicates that a significant majority (84%) of teachers strongly agree that the overall structure and design of the curriculum are effective. However, there are small percentages (3%) who have a more neutral or somewhat disagreeing viewpoint. This suggests a generally positive sentiment about the curriculum's layout and organization.

Question 2: The curriculum encourage critical thinking and problem solving skills among students

Strongly Disagree: 0%

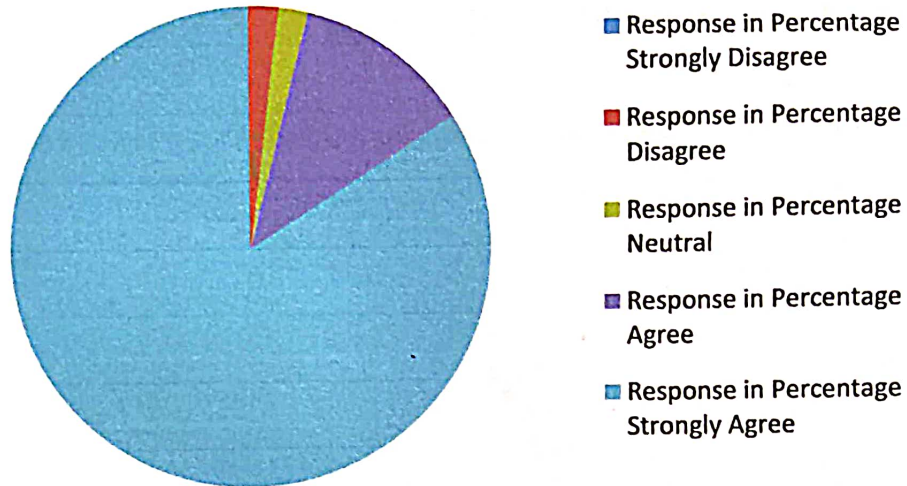

Disagree: 2%

Neutral: 2%

Agree: 12%

Strongly Agree: 84%

2. Critical thinking and problem solving skills

The results demonstrate that 84% of teachers strongly agree that the curriculum fosters critical thinking and problem-solving skills. Despite this, there is a small proportion (4%) who have a somewhat neutral or disagreeing stance. This suggests a strong emphasis on these skills within the curriculum, but there might be room for more engagement for those with neutral opinions.

Question 3: The curriculum effectively incorporates real world applications and practical experiences to enhance student learning

Strongly Disagree: 0%

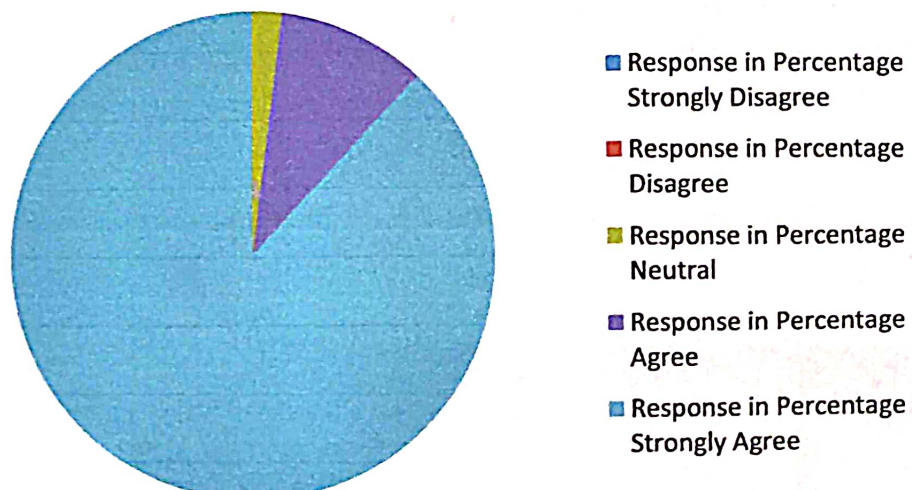

Disagree: 0%

Neutral: 2%

Agree: 10%

Strongly Agree: 88%

3. Real world applications and practical experiences

The feedback underscores a positive perspective, as 88% of teachers strongly agree that the curriculum effectively integrates real-world applications and practical experiences. While only a minority (2%) have neutral opinions, this suggests that the curriculum's focus on practicality and real-world relevance is well-received.

Question 4: The curriculum integrates technology and digital resources to enhance the teaching and learning experience

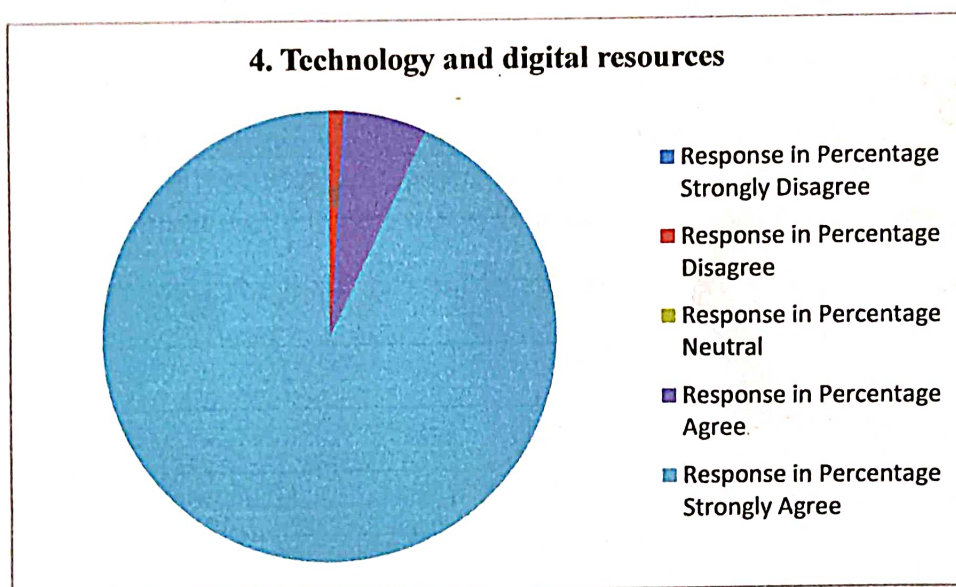

Strongly Disagree: 0%

Disagree: 1%

Neutral: 0%

Agree: 6%

Strongly Agree: 93%

A substantial majority (93%) of teachers strongly agree that the curriculum provides adequate technology and digital resources. Despite the strong agreement, there are a small number (1%) who slightly disagree. This implies a generally positive alignment with the technological aspects of the curriculum.

Question 5: Satisfied with the support and professional development opportunities provided by the college

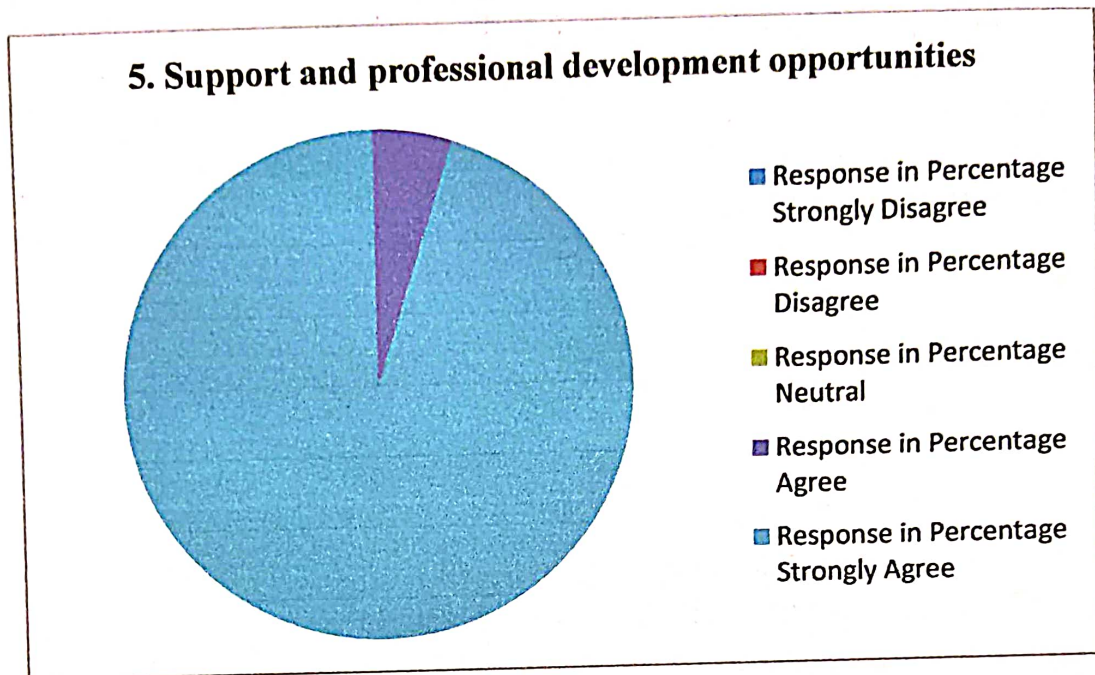

Strongly Disagree: 0%

Disagree: 0%

Neutral: 0%

Agree: 5%

Strongly Agree: 95%

Teachers' feedback overwhelmingly highlights that 95% strongly agree that the curriculum supports professional development opportunities. The remaining 5% in agreement suggests a strong recognition of the curriculum's contribution to fostering growth and skill enhancement.

Question 6: The physical facilities and infrastructure of the college is comfortable and conducive

Strongly Disagree: 0%

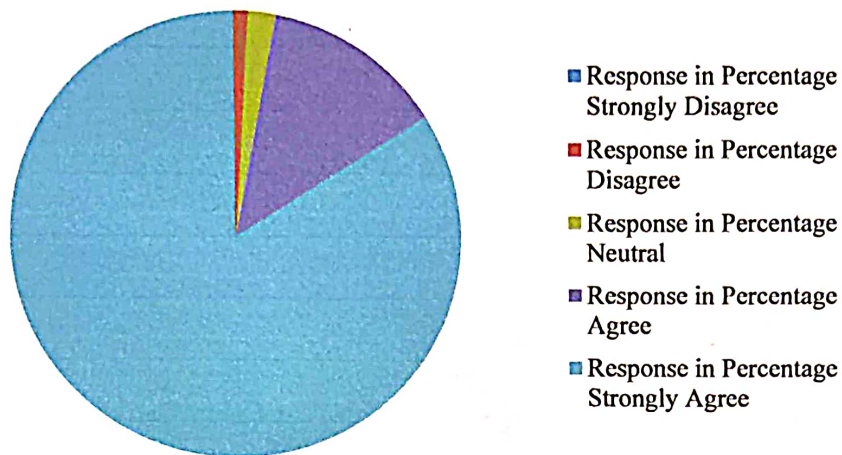

Disagree: 1%

Neutral: 2%

Agree: 13%

Strongly Agree: 84%

6. Physical facilities and infrastructure of the college

The feedback reveals that 84% of teachers strongly agree that the curriculum complements the college's physical facilities and infrastructure. However, there are also respondents (3%) who are neutral or slightly disagree, indicating potential areas for aligning the curriculum and physical environment more effectively.

Question 7: The college provides a collaborative and supportive environment among faculty members and staff

Strongly Disagree: 0%

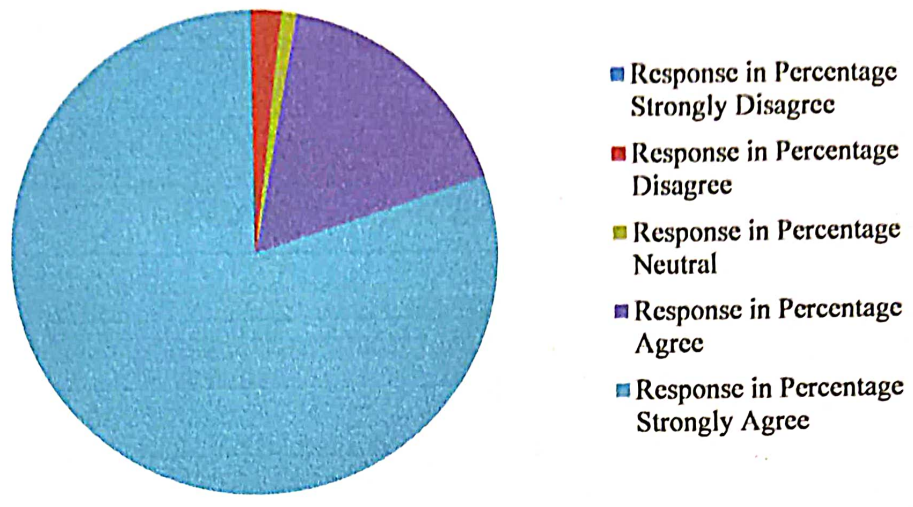

Disagree: 2%

Neutral: 1%

Agree: 17%

Strongly Agree: 80%

7. Collaborative and supportive environment

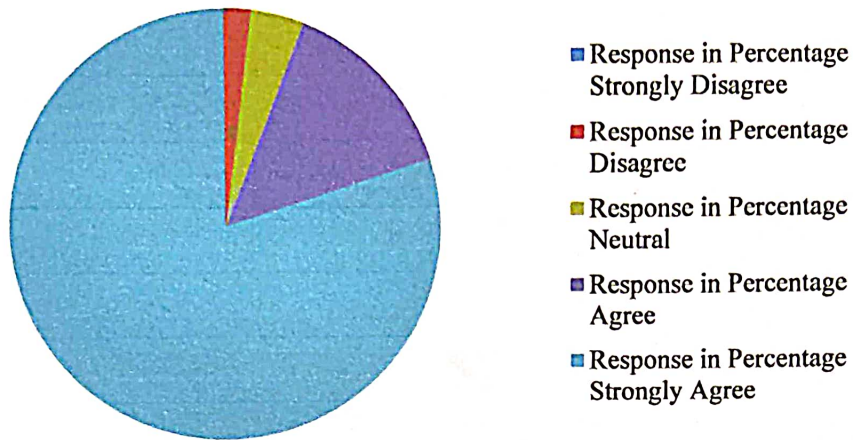

The results indicate that 80% of teachers strongly agree that the curriculum contributes to a collaborative and supportive environment. While the majority agrees, there are a few (3%) with neutral or slightly disagreeing viewpoints. This suggests a positive trend but also indicates scope for enhancing collaborative elements further.

Question 8: The college encourages and facilitate your participation in professional development, research and scholarly activities

- Strongly Disagree: 0%
- Disagree: 2%
- Neutral: 4%
- Agree: 14%
- Strongly Agree: 80%

8. Facilitate your participation in professional development, scholarly activities

The feedback demonstrates that 80% of teachers strongly agree that the curriculum facilitates their participation in professional development and scholarly activities. While the majority agrees, a notable portion (6%) remains neutral or slightly disagreeing, indicating potential areas for providing more robust support in this domain.

Question 9: College maintains a clean, safe, and well-equipped campus environment

Strongly Disagree: 0%

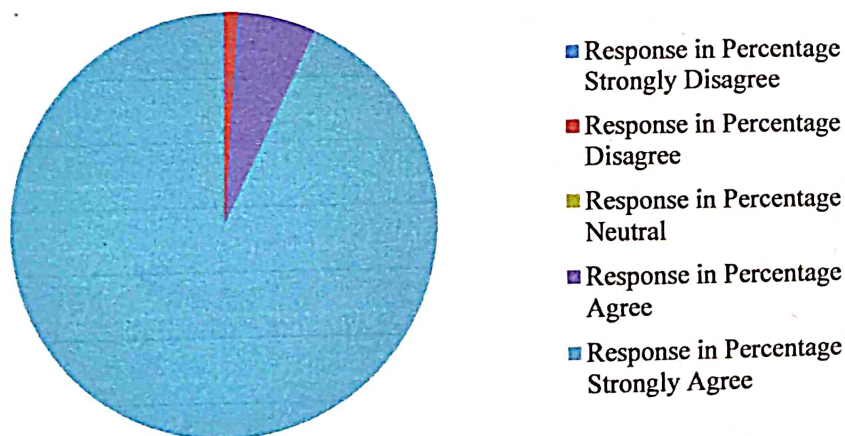

Disagree: 1%

Neutral: 0%

Agree: 6%

Strongly Agree: 93%

9. College maintains a clean, safe, and well-equipped campus environment

A significant majority (93%) of teachers strongly agree that the curriculum aligns with the college's cleanliness, safety, and well-equipped environment. However, there are respondents (1%) who slightly disagree, suggesting the importance of continuous monitoring and alignment with the physical aspects.

Question 10: Overall ambience and atmosphere for teaching

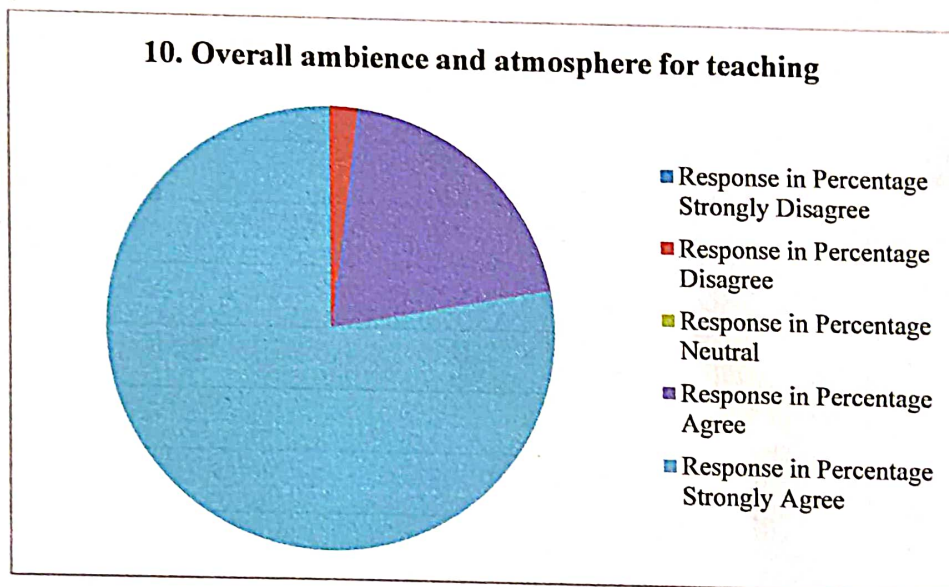

Strongly Disagree: 0%

Disagree: 2%

Neutral: 0%

Agree: 20%

Strongly Agree: 78%

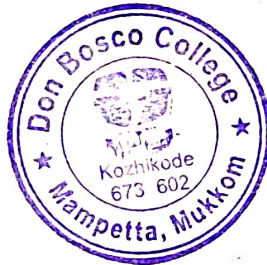

The feedback highlights that 78% of teachers strongly agree that the curriculum contributes to a positive ambience and atmosphere for teaching. On the other hand, a notable percentage (22%) have neutral or slightly disagreeing opinions, suggesting areas for further enhancing the teaching environment.

CONCLUSION

The analysis of teacher feedback provides valuable insights into the perceptions of our curriculum's strengths and areas that warrant attention. While there is a remarkable alignment on several aspects, there are also opportunities for improvement and enhancement. Leveraging the positive aspects and addressing the areas for improvement will allow us to refine our curriculum further, ensuring a comprehensive and engaging educational experience that aligns with the needs and expectations of both teachers and students.
