Revised Curriculum of Bachelor of Social Work

Programme Effective from 2019 Admissions

Introduction

Social work originates from humanitarian ideals and democratic philosophy and has universal application to meet human needs arising from personal, societal interactions and to develop human potential. Its primary mission is to enhance human well being and help meet the basic human needs of all people, with particular attention to the needs and empowerment of people who are vulnerable, oppressed, and living in poverty. The profession focuses on individual well being in a social context and the well being of the society. It also devotes great attention to the environmental forces that create, contribute to, and address problems in living. (NASW,1996).

Professional social workers are dedicated to service for the welfare and self realisation of human beings, the disciplined use of scientific knowledge regarding human and societal behaviour, to the development of resources to meet individual, group and community needs and to the achievement of social justice.

The BSW programme aims at imparting the knowledge, skills and attitudes necessary for the practice of this profession. The curriculum is designed so as to help the students to acquire these through a combination of theoretical inputs and practice opportunities spreads over six semesters. It also has an interdisciplinary content and has drawn from the disciplines of sociology, psychology and anthropology.

Programme Objectives:

- 1. To equip students with knowledge, values, and skills required for basic level social work practice and entry to and success in post graduate programmes
- 2. To sensitize the learners about the contemporary socio-economic and cultural realties through class room and field basedlearning
- 3. To impart training in interdisciplinary domains to help students to effectively practice social work
- 4. To develop understanding and integration of social work theories and practice.
- 5. To provide opportunities to students to serve in social work settings so that they learn to work with diversegroups.
- 6. To train the students to become effective change agents in their practice settings.

SIXTH SEMESTER BSW 6 B 11 PROJECT PLANNING AND MANAGEMENT FOR SOCIAL WORK

Credits 4
Hrs/Week 4

Objectives

- 1. To provide basic knowledge in projectmanagement
- 2. To help the students to acquire skill in preparation, management, monitoring and evaluation of projects for social workintervention
- 3. To equip the students to write independent project proposals

Module I Project and the concept of people'sparticipation

Project- Definition, features, typology. Need and scope of project planning People's participation in project planning and management

Module II Steps in participatory project planning

Identifying needs- aspects of situational analysis Determining priorities

PRA/PLA methods for need identification and prioritization

Feasibility assessment Formulating Goals and objectives in a project Preparing action plan/activity schedule including action, responsibility, time and cost. Logical Framework Approach (LFA), Critical Path Method (CPM), Project Evaluation and Review Technique (PERT)

Module III Financial management of a project

Fund raising methods, community resource mobilization, possibilities of grant-in-aid from state/central Governments and LSGs, Funding Agencies – National and International Laws and rules regarding fund raising – 80 G, 12 A, FCRA. Budgeting, Social Cost Benefit analysis, Need and importance of Accounting in a project

Module IV Monitoring and Evaluation of project

Monitoring-definition, Steps in monitoring, levels of monitoring

Evaluation- definition, difference between monitoring and evaluation, types of evaluation, criteria for evaluation, steps in evaluation process

Module V Project Proposal Writing

Project title, introduction, objectives, project beneficiaries, activities of the project, strategy of implementation, budget/cost Plan, itemized budget, monitoring &evaluation plan, output/outcome/ impact, sustainability of the project and conclusion .workshop on project proposal writing

BSW 6 B 12 LEGAL INFORMATION FOR SOCIAL WORKERS

Credits 4
Hrs/Week 4

Objectives:

- O To provide an overview of social legislation and familiarize students with pertinent legislations
- O To educate the students about the existing judicial system &its functioning

Module I Social Legislation, Social Justice, Social Defense, Social Security.

Indian Constitution- Preamble, Fundamental Rights, Directive Principles and Fundamental Duties.

Module II-. Indian Judicial system

Courts- Civil Courts, Criminal Courts, Family Courts, Juvenile Courts

Criminal Procedure Code and Indian Penal Code

Prisons-, Probation, Parole,

Module III

Human rights- evolution, nature, Human Rights Commission, Women's Commission,

Child Rights - National Child Rights Protection Council -role and functions,

CHILDLINE Legal Aid, Lok Adalats, Public Interest Litigation

Module IV- Laws for the protection and care of Women, Children, Differently Abled, SC/ST and senior citizens

Module V Overview of Social security Legislations- Maternity Benefits Act, ESI Act, Factories Act, Workmen's Compensation Act

- 1. Sharma, Brij Kishore, 2015, Introduction to the ConstitutionofIndia Prentice-Hall of India Pvt. Ltd

BSW 6 B 13 COMMUNITY HEALTH AND HEALTH CARE SERVICES

Credits 4 Hrs/Week 5

Objectives:

- O To understand the concept of health & its various perspectives
- o To familiarize with various health problems & its impact oncommunities
- 0 To develop skills for planning and implementing community health programmes
- O To study role of social workers in community health programmes

Module I Concept of Health- Definitions, Dimensions of health, determinants of health. Holistic Health. Community health- definition & scope, Medical Model & Social Model Personal & environmental hygiene. Sanitation
National Health Policy

Module II- Nutrition & Balanced Diet- Constituents of food, Nutritional Deficiency Diseases commonly seen in India Diet for pregnant women & lactating mothers, diet for infants & children Food adulteration, Food Adulteration Act

Module III Concept of disease- epidemiology of disease, major health problems. Immunisation

Communicable diseases, non-communicable diseases and life style diseases

Module IV Health Care Services- Preventive, Promotive, Curative & Rehabilitative aspects. Health care services in India, Components of Primary health care. Health education & communication

Community based rehabilitation

Role of social worker in community health care services.

Module V- Public Health Administration. Public Health programmes in India Polio eradication programmes, T.B control programme, AIDS control programmes Problems of public health in India

- 1. Park K., 2009, Textbook of Social and Preventive Medicine, Banarsidas Bhanot Publications
- 2. Sridhar Rao, B. 2005, Principles of Community Medicine, AITBSPublishers
- 3. Bedi, Yashpal, A handbook of Preventive and Social Medicine, Atma Ram and Sons
- 4. Elizabeth, K.E., 2010, Nutrition & Child Development, Paras Medical Publishers

Elective I BSW 6 B 16 - GENDER AND DEVELOPMENT IN SOCIAL WORK

Credits 3 Hrs/Week 4

Objectives:

- 1. To understand key concepts, issues in gender and development
- 2. To give awareness about reciprocal relationship between women & men in society
- 3. To create awareness about the magnitude of gender disparities in the present context

Module I Gender – Definition and related concepts: Sex and Gender, Gender Stereotypes, Gender discrimination, Gender Division of Labour, Gender Needs, gender equality and equity, Gender mainstreaming, Gendertraining
Women Empowerment, Women Studies
Gender and Development(GAD), Women in Development (WID)

Module II- Status & Role of women- Women & Family, Women & Religion, Women & Education, Women & Economy, Women & Media, Women & Environment, Women & Health

Changing role & status of women in India & Kerala.

Module III- Gender issues & legislation for women- problems of destitute, widows, unwed mothers, single women, girl children, working women. Domestic violence, dowry death, sexual harrassment, female infanticide and foeticide

Module IV- Women & Kerala society- Kerala model of development- Implications for women in family, education, employment, economy, politics, and environment, Impact of Globalisation on women

Module V- Programmes for the development of women- Programmes of Central & State Governments.

National & State Commission for Women. Role of NGOs in the empowerment of women Role of social work in working with women.

Elective III BSW 6 B 18 - SOCIAL WORK WITHELDERLY

Credits 3 Hrs/Week 4

Objectives

- O To understand the concepts of aging, geriatric care and SocialWork
- 0 To understand the problems faced byaged.
- o To study the role of Social Work interventions in caring for the Aged

Module I - Basic Concepts : Old Age, Aging and Ageism Characteristics of old age, Physical, social, emotional changes Personal, social, vocational and marital adjustments Problems and Hazards

Module II Problems of aging: Sociological and Psychological perspective Family and elderly Social and vocational rehabilitation

Policy, programmes and services for elderly

Module III Geriatric Social Work

Role of social worker in the care of elderly Interdisciplinary team in Geriatric Care

Module IV Components of Gerontological Social Work

New patient assessment, Medical and Social Concerns, Living situation, education and work history, Family composition, Social supports, substance use, spirituality, activity level and mentalhealth

Family assessment, providing solutions to care giver burden, common problems in psychotherapy with the elderly

ModuleV Components of Gerontological Care Management in Social

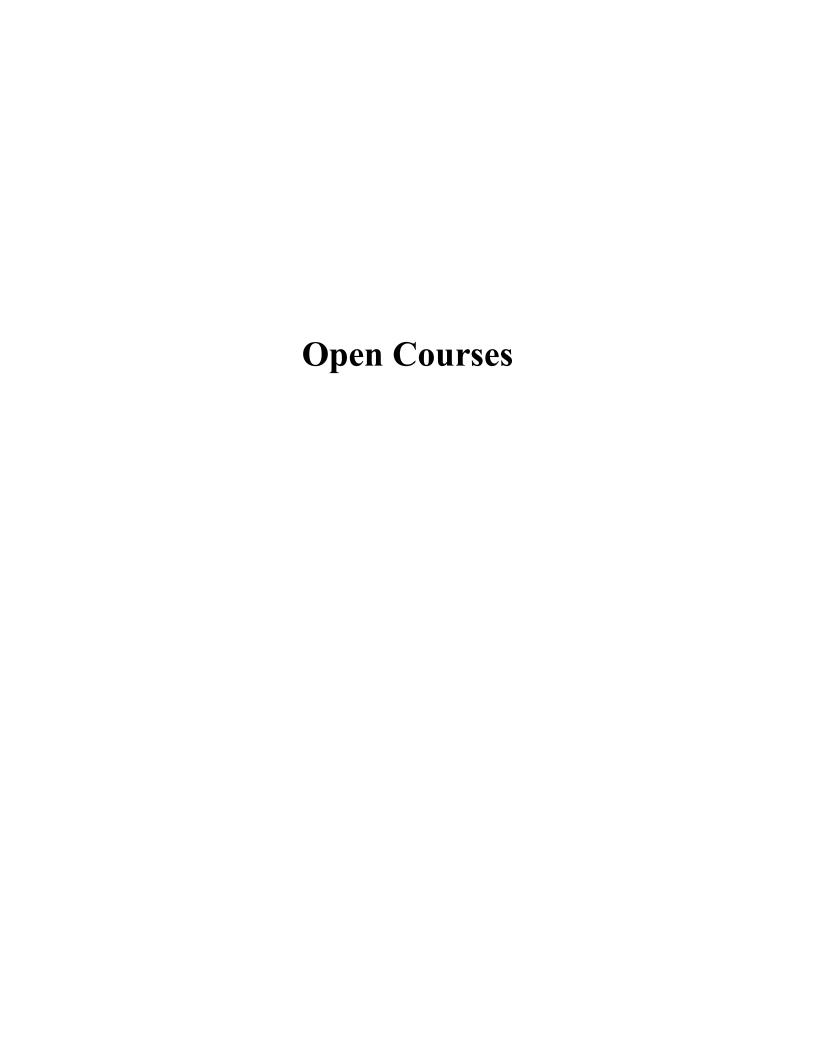

Work Community Basedprogrammes

Individual Treatment Methods

Support groups for older adults – qualities of effective groups

Open Course- I BSW 5 D 01 - COMMUNITY HEALTH & HEALTH EDUCATION

Credits 3 Hrs/Week 2

Objectives:

- O To understand the concept of health & its various perspectives
- 0 To familiarize with various health problems & its impact oncommunities

Module I Concept of Health- Definitions, Dimensions of health, determinants of health. Holistic Health. Community health- definition & scope, Medical Model & Social Model

Personal& environmental hygiene. Sanitation

Module II Nutrition & Balanced Diet- Constituents of food

Nutritional Deficiency Diseases. Diet for pregnant women & lactating mothers, diet for infants & children

Food adulteration, Food Adulteration Act

Module III Concept of disease- epidemiology of disease, major health problems. Immunisation

Communicable diseases, non-communicable diseases and life style diseases

Module IV Health Care Services- Preventive, Promotive, Curative & Rehabilitative aspects. Components of Primary health care. Health care services in India.

Health education & communication.

Community based rehabilitation, Role of students and educational institutions in community health care services.

Module V Public Health Administration. National Health Policy. Public Health programmes in India- Polio eradication programmes. T.B control programme. AIDS control programmes

Problems of public health in India

- 1. Park K., 2009, Textbook of Social and Preventive Medicine, Banarsidas Bhanot Publications

COMPLEMENTARY COURSES

Complementary	Course I	Sociology

Type I (First and Fourth Semesters)

Complementary Course II Psychology

Type II (Second and Third Semesters)

BSW Programme General Guidelines

Ability Enhancement courses/Audit courses

These are courses which are mandatory for a programme but not counted for the calculation of SGPA or CGPA. There shall be one Audit course each in the first four semesters. These courses are not meant for class room study. The students can attain only pass (Grade P) for these courses. At the end of each semester there shall be examination conducted by the college from a pool of questions (Question Bank) set by the University. The students can also attain these credits through online courses like SWAYAM, MOOC etc (optional). The list of passed students must be sent to the University from the colleges at least before the fifth semester examination. The list of courses in each semester with credits are givenbelow.

Course with Credit	Semester	
Environment Studies – 4	1	
Disaster Management - 4	2	
*Human Rights/Intellectua Consumer Protection -4	Property Rights/ 3	
*Gender Studies/Gerontology	4	

^{*} Colleges can opt any one of the courses.

Assessment and Evaluation

The evaluation scheme for each course shall contain two parts

1) Internal assessment 2) External Evaluation

20% weight shall be given to the internal assessment. The remaining 80% weight shall be for the external evaluation.

Internal Assessment

20% of the total marks in each course is for internal examinations. The internal assessment shall be based on a predetermined transparent system involving written tests, Class room participation based on attendance in respect of theory courses and lab involvement/records attendance in respect of Practical Courses. Internal assessment of the project will be based on its content, method of presentation, final conclusion and orientation to research aptitude. (Guidelines in Annexure I)

Components with percentage of marks of Internal Evaluation of Theory Courses

	Components	Percentage of marks
0	Test Paper	40%
0	Assignment	20%
0	Seminar	20%
0	Class room participation based on	20%.
	attendance	

For the test paper marks, at least one test paper should be conducted. If more test papers are conducted, the mark of the best one should be taken. To ensure transparency of the evaluation process, the internal assessment marks awarded to the students in each course in a semester shall be notified on the notice board at least one week before the commencement of external examination. There shall not be any chance for improvement for internal marks. The course teacher(s) shall maintain the academic record of each student registered for the course, which shall be forwarded to the University by the college Principal after obtaining the signature of both course teacher and Head of the Department.

The split up of marks for Test paper and Class Room Participation (CRP) for internal evaluation are as follows.

Split up of Marks for Test paper

Range of Marks in Test Paper	Out of 8 (Maximum internal Marks is 20)	Out of 6 (Maximuminternal marks is15)
Less than 35%	1	
35%- 45%	2	2
45% - 55%	3	3
55% - 65%	4	4
65% -85%	5	6
85% -100%	8	6

Split up of Marks for Class Room Participation

Range of CRP	Out of 4 (Maximum internal Marks is 20)	Out of 3 (Maximuminternal marks is15)
50% ≤CRP <75%	1	1
75% ≤CRP <85%	2	2
85 % and above	4	3

External Evaluation

External evaluation carries 80% of marks. The external question papers may be of uniform pattern with 80/60 marks (The pattern is given in the Annexure III). The courses with 2/3 credits will have an external examination of 2 hours duration with 60 marks and courses with 4/5 credits will have an external examination of 2.5 hours duration with 80 marks.

Indirect Grading System

Indirect grading System based on a 10-point scale is used to evaluate the performance of students. Each course is evaluated by assigning marks with a letter grade (O, A+, A, B+, B, C, P, F, I or Ab) to that course by the method of indirect grading. An aggregate of P grade (after external and internal put together) is required in each course for a pass and also for awarding adegree (A minimum of 20% marks in external evaluation is needed for a pass in a course.Butnoseparatepassminimumisneededforinternalevaluation).

After the successful completion of a semester, Semester Grade Point Average (SGPA) of a student in that semester is calculated using the formula given below. For the successful completion of a semester, a student should pass all courses. However, a student is permitted to move to the next semester irrespective of SGPA obtained.

SGPA of the student in that semester is calculated using the formula

The Cumulative Grade Point Average (CGPA) of the student is calculated at the end of a programme. The CGPA of a student determines the overall academic level of the student in a programme and is the criterion for ranking the students. CGPA can be calculated by the following formula.

SGPA and CGPA shall be rounded off to three decimal places. CGPA determines the broad academic level of the student in a programme and is the index for ranking students (in terms of grade points). An overall letter grade (cumulative grade) for the entire programme shall be awarded to a student depending on her/his CGPA

Project

As part of the requirements for BSW Programme every student must do a project either individually or as a group, under the supervision of a teacher. Project work is meant for providing an opportunity to approach and study a problem in a systematic and scientific manner. It provides them an opportunity to apply the tools they have studied and learn the art of conducting a study and presenting the report in a structured way. The report of the project, completed in every respect, is to be submitted to the department for valuation by the examiners appointed by the University.

Guidelines for Project – Annexure II

Annexure-1

Method of Indirect Grading

Evaluation (both internal and external) is carried out using Mark system .The Grade on the basis of total internal and external marks will be indicated for each course, for each semester and for the entire programme.

Indirect Grading System in 10 -point scale is as below:

Ten Point Indirect Grading System

Percentage of Marks (Both Internal &External put together)	Grade	Interpretation	Grade point Average (G)		Class
95 and above	О	Outstanding	10	9.5 -10	First Class with
85 to below 95	A +	Excellent	9	8.5 -9.49	Distinction
75 to below 85	A	Very good	8	7.5 -8.49	
65 to below 75	B+	Good	7	6.5 -7.49	First Class
55 to below 65	В	Satisfactory	6	5.5 -6.49	
45 to below 55	С	Average	5	4.5 -5.49	Second Class
35 to below 45	P	Pass	4	3.5 -4.49	Third Class
Below 35	F	Failure	0	0	Fail
Incomplete	I	Incomplete	0	0	Fail
Absent	Ab	Absent	0	0	Fail

Example-1	SGPAC	alculation				
Semester I Course Code	Course Name	Grade Obtained	Grade point (G)	Credit (C)	Credit point (CXG)	
XXXXXXX	Xxxxxxx	A	8	4	32	
XXXXXXX	Xxxxxxxx x	С	5	3	15	
XXXXXXX	Xxxxxxxx x	A+	9	4	36	
XXXXXXX	Xxxxxxxxx x	B+	7	3	21	
XXXXXXX	Xxxxxxxx	P	4	3	12	
xxxxxxx	Xxxxxxxx	С	5	4	20	

SGPA= Sum of the Credit points of all courses in asemester

Total Credits in that semester

SGPA=
$$32+15+36+21+12+20=136$$

21 **SGPA** = **6.476**

Percentage of marks of semester I = (SGPA/10) x 100 = 64.76 %

Note: The SGPA is corrected to three decimal points and the percentage of marks shall be approximated to two decimal points.

Example: 2

Semester II Course Code	Course Name	Grade Obtained	Grade point (G)	Credit (C)	Credit point (CXG)	
xxxxxxx	Xxxxxxx	A	8	4	32	
xxxxxxx	Xxxxxxxxx x	С	5	3	15	
XXXXXXX	Xxxxxxxxx x	A+	9	4	36	
XXXXXXX	Xxxxxxxx x	B+	7	3	21	
xxxxxx*	Xxxxxxxx	F	0	3	0	_
XXXXXXX	Xxxxxxxx	С	5	4	20	i

^{*}Failed course

Note: In the event a candidate failing to secure 'P' grade in any Course in a semester, consolidation of SGPA and CGPA will be made only after obtaining 'P' grade in the failed Course in the subsequent appearance.

CGPA Calculation

Total percentage of marks = (CGPA/10) * 100 Total % of marks = (7.183/10) * 100 =

71.83

Similarly CGPA of Complementary courses, Open courses, English Common courses and Additional Language Common courses may be calculated and the respective percentage may be calculated. All these must be recorded in the Final Grade Card.

Annexure II

Guidelines for the Evaluation of Projects

1. PROJECT EVALUATION

- Evaluation of the Project Report shall be done under MarkSystem.
- The evaluation of the project will be done at two stages:
 - a) Internal Assessment (supervising teachers will assess the project and award internalMarks)
 - b) External evaluation (external examiner appointed by the University)
 - c) Grade for the project will be awarded to candidates, combining the internal and external marks.
- Theinternaltoexternalcomponentsistobetakenintheratio1:4. Assessmentofdifferentcomponents may be taken asbelow.

Internal (20% of total)	External (80% of Total)	
Components	Percentage of internal marks	Components
Originality	20	Relevance of the Topic, Statement of Objectives
Methodology	20	Reference/ Bibliography, Presentation, quality of Analysis/ Use of Statistical Tools.
Scheme/ Organisation of Report	30	Findings and recommendations
Viva – Voce	30	Viva – Voce

- External Examiners will be appointed by the University from the list of VI Semester Board of Examiners in consultation with the Chairperson of theBoard.
- The Chairman of the VI semester examination should form and coordinate the evaluation teams and their work.
- o Internal Assessment should be completed 2 weeks before the last working day of VISemester.
- o Internal Assessment marks should be published in the Department.
- In the case of Courses with practical examination, project evaluation shall be done along with practical examinations.
- o The Chairman Board of Examinations, may at his discretion, on urgent requirements, make certain exception in the guidelines for the smooth conduct of the evaluation of project.

2. PASS CONDITIONS

- Submission of the Project Report and presence of the student for viva are compulsory for internal evaluation. No marks shall be awarded to a candidate if she/ he fails to submit the Project Report for external evaluation.
- The student should get a minimum P Grade in aggregate of External andInternal.
- o There shall be no improvement chance for the Marks obtained in the Project Report.
- o In the extent of student failing to obtain a minimum of Pass Grade, the project work may be redone and a new Internal mark may be submitted by the Parent Department. External examination may be conducted along with the subsequent batch.

Annexure-III

Question paper type 1

Scheme of Examinations:

The external QP with 80 marks and internal examination is of 20marks. Duration of each external examination is 2.5 Hrs. The pattern of External Examination is as given below. The students can answer all the questions in Sections A& B. But there shall be Ceiling in each section.

Section A

Short answer type carries 2 marks each-15questions Ceiling -25

Section B

Paragraph/Problem type carries 5 marks each-8 questions Ceiling -35

Section C

Essay type carries 10 marks (2 outof4) 2*10=20

Question paper type 2

Scheme of Examinations:

The external QP with 60 marks and Internal examination is of 15 marks. Duration of each external examination is 2 Hrs. The pattern of External Examination is as given below. The students can answer all the questions in Sections A&B. But there shall be Ceiling in each section.

Section A

5	hort	answer	type carries	2 mar	kseach-	l 2questio	ons (Ceiling -	-20

Section B
